

Mishloach Manot

Purim Gift Bags

Join in this Purim tradition of sending gift bags to family and friends. Each bag is \$5 or \$218 to deliver a bag to each person in the congregation.

Orders must be placed by Feb. 15.

Each Bag includes: Hamantaschen, hard candies, fresh fruit, and juice.

One bag will be distributed per family, along with a list of those who sent the greetings. We can make up a sugar-free bag on request just mark an "S" next to the name on the checklist.

If you would like to give reciprocally, please include your email address and phone number so we can contact you with the names of people who sent you greetings who you forgot to include in your initial order. At least one bag must be ordered to use reciprocity.

Mishloach Manot bags will also be distributed to residents at Chai House.
